Dear Members,

It gives me immense pleasure to launch the third edition of our Members' Directory.

Since the publication of the last directory lot of things have changed. There has been a change in the composition of our members wherein a few members have sold their premises and moved out and a lot more new members have joined our Association. A lot of our members, Governmental bodies, financial institutions, vendors etc. approach us for a copy of the Directory. It is but fair that our Directory has to be representative of our members and their business activity so that prospective buyers and vendors can reach them thereby enabling our members to increase their businesses.

Hence the decision to publish this updated Directory. A lot of effort over the last one year has been taken to collate the correct data.

Our Association is not just an organisation; it is a family of like minded individuals committed to a common cause. Together, we have taken up common issues and am confident that we will be successful and build a strong foundation for future growth.

I encourage each member to actively participate in our events, share your insights and engage with fellow members. Your unique perspectives contribute to the richness of our Association, making it a vibrant and dynamic community.

I am here to serve you and for the betterment of our Association. If you have any ideas, concerns or suggestions please feel free to reach out to me.

Thank you for your continued dedication and support.

Thanking You,
