

TTC MIDC Industries Association (TMIA) is the largest industries Association in TTC MIDC Industrial Area representing around 1500 MSMEs.

TMIA represents the causes of the industry to the Government, Governmental agencies, service providers like MIDC, NMMC, MSEDCL, MPCB etc. and finds solutions to the various infrastructural problems faced by the industries.

WHY BECOME A MEMBER OF TMIA?

Many potential members ponder as to why they should become member of association whereby one has to pay membership fees. After all their business is running without any help from anywhere. The small monetary outflow is influencing the mind to ignore following facts:

- What if I am troubled by various agencies?
- What if I am asked to produce some strange documents?
- Who will advise me what is legal and what is right?
- Whether I know all the rules and regulations and their interpretations
- Who will listen to my problems?
- Whom do I approach for my perennial problems of power, water, effluent, garbage, telephone?
- What will happen in case of natural calamities, fire, disaster?
- Whether I have sufficient and capable manpower to handle all my different issues as above?
- Whether I can spare good amount of time sorting out issues of nuisance value at the cost of my business?
- Who will represent me and my common business interests affecting future of my existence at a state and central government level?
- Who will help manage government policies that will influence fair tariff structure?
- Am I capable of fighting monster of corruption on my own?
- Who will give me good infrastructure that can support ease of business and ease of living?
- Who will fight for my excessive property taxes, inflated bills, draconian interests and undue penalties?
- How do I transform my business to be sustainable and competitive?

- Where do I go to train myself and untrain-retrain my staff to take up the technology challenge?
- How do I tackle financial challenges?
- How can I secure my factory during night and sleep peacefully at home?

Likewise there are plenty other
How...Who...What if's and Whom to..

If you do not have a solution for even one of these, it is worth becoming the member of TMIA. You will feel the difference.

The cost is only Rs. 7,000- + GST per annum.

- Senior Service executives are earmarked to your area. In case of any problem you can approach them and they will coordinate with the service providers and get the problem solved.
- The Association has at its cost provided two Security Patrol jeeps which are connected to police head quarter by wireless while on beat and they scan the length and breadth of entire TTC MIDC Industrial area every night all 365 days of the year.
- A mobile number is also kept in each patrol jeep which can be reached by your security staff if any suspicious movements/theft/burglary or any criminal activity is noticed. Police will be at your doorstep in minutes.
- On every Thursday we broadcast the power position provided to us by MSEDCL so that you can plan your production activities for Friday which is a weekly holiday in the area.
- We regularly conduct seminars on various topics connected with industry for the knowledge and benefit of our members.
- We also undertake and conduct various welfare activities for the benefit of our members and the entire workforce in TTC MIDC Industrial area.
